HERD TALK EMAIL VS. U.S.MAIL

About 1000 of our subscribers are getting the Herd Talk on-line, which saves the Lodge money and time. In addition to saving the Lodge money, much more information can be sent via email than "snail" mail. Weekly notices of what's happening at the Lodge will be coming very soon via email. A Marketing Committee has been formed, which will handle the web page, Herd Talk, Facebook, and other marketing platforms. It's starting slow, but will pick up speed over the holidays. Those without email will still receive the Herd Talk via U.S. Mail. We are looking at getting a viewer activated informational kiosk in the Lodge foyer.

BANDS EVERY FRIDAY ALL MONTH

PLEASE COME ON FRIDAY NIGHTS HAVE DINNER AND ENJOY THE BANDS.

Hello everyone. Well the holiday season is upon us. I hope everyone enjoyed Halloween and is looking forward to Thanksgiving.

There's a lot going on this month: Men's Fashion show fundraiser, a visit from our DDGER, Randy Logan, Thanksgiving dinner, music, Jenga, cornhole and more. I hope you will come out to the Lodge and enjoy some of the activities.

The local Covid numbers are going down and the number of members coming to our dinners and events is going up. We need more members to keep the trend going of showing up on Fridays so we can afford to continue hiring the bands.

I and some other officers from the Lodge will be traveling to LA for the Elk's Mid-Term Convention at the beginning of the month. It should be fun and we hope to gain more information and insight that will benefit our Lodge and District. And lastly . . . Volunteer when you can, thank a volunteer when you can and bring in new members if you can.

It's your Lodge, come down and enjoy it.

Scott Reinsmith, ER

Redwood Roamers of Eureka California Elks

Any Elk member and their guests are welcome to attend a Redwood Roamers meeting. Come see what we are about.

There are a lot of things happening at the Lodge. The Veteran's Committee is changing leadership as Casey Stevens is moving away. He will be missed, and we wish him the best. November 5 the V.A./Elks R.E.D. Health Fair and Luncheon has been postponed due to COVID. The Lodge recently received a spotlight grant of \$2,000. Grants such as this come from the Elks National Foundation. Every member donates \$4 of their annual dues to the ENF, and we usually get back more than we put in in the form of grants. There are several ENF fund raisers each year. The State organization (CHEA) also has a Major Projects commonly called the Purple Pig. The next Purple Pig event is the Men's Fashion show on Saturday, November 13. Both the ENF and the Purple Pig are charitable organizations, 501 (c)3's; therefore, tax deductible. I am hoping to get the Marketing Committee up and running soon.
