**THANK YOU TO ALL OUR VOLUNTEERS! YOUR SERVICE IS GRATELY APPRECIATED! YOU HELP MAKE OUR LODGE!** I had the honor and pleasure of representing our lodge by being a part of the Great Northwest District at the National Elks Convention in Atlanta Georgia over the 4th of July weekend. Being in a room

with over 6,000 Elks representing all 50 States, Guam, the Philippines and Puerto Rico all striving for the same goal, was at times a very emotional service and reminded me of why I first joined the Elks. Watching our service men and women as they represented all branches of the military and a special flag for our POW's was very empowering.

Another highlight was seeing what other Lodges do to raise money for Major Project/Purple Pig and ENF. Watching all of the District Deputy Grand Exalted Rulers (DDGER) be sworn in was a very humbling experience.

On July 16th, we had a Jeweling Ceremony for Dennis Hunter DDGER. This is the first in a long time that we have had the honor of hosting at our Lodge. We had Dignitaries from our District and State level visiting our Lodge for the wonderful ceremony.

Eureka Lodge #652 along with Southwest Rotary, Old Town Rotary and Eureka Rotary are hosting a CYOS Dinner in Appreciation for the Coast Guard Thursday August 18th.

We have had many members ask about what it takes to be an Officer of the Lodge or on a Committee. So, each month we will feature a description of one of those positions.

Fraternally yours,

Marta Martinez

## Redwood Roamers of Eureka California Elks

The Roamers met on July 6th and welcomed Scotty and Sharon Thomason and Gary and Annie Todoroff as our newest members. The Roamers' Roster now has 53 members. There are no outings scheduled for July. The Roamers will concentrate on RV Park improvements. Howard Ritter has ordered solar lights to be placed on each electrical panel box for each site. The new solar lights will help illuminate the park at night and make it easier for late arrivals to hook up.

The Dog Park has been a welcomed addition to our park. Our park guests have been very excited about the improvements

The Roamers will meet on August 3rd at the Lodge. Loren and Sue Pancoast, Trailblazers, will provide final arrangements for the Ancient Redwood Outing to Redcrest scheduled for August 12-14.

The Redwood Roamers RV Club has 54 families who enjoy sharing the outdoors together. The Roamers meet the first Wednesday of the month at the Lodge to spread fellowship and plan monthly outings. Each outing has a Trailblazer and a Greaser. These two have the responsibility of planning and making all of the arrangements for a successful adventure.

Happy Trails,

Dale A. Stockly, Wagon Master

## Lodge Secretary's Notes...

The hierarchy of Elksdom will continue to be a part of my monthly articles. The District Deputy Grand Exalted Ruler represents the Grand Exalted Ruler in our District. He is commonly referred to as the DD or District Deputy. Dennis Hunter, who is from our Lodge is the DD for 2022-2023. He was sworn in at the Grand Lodge Convention in July and will serve for one year. Occasionally a DD serves two terms as I did several years ago. The DD is generally promoted from the Association Vice-president's (AVP) position. Dennis was "jeweled" on July 16 in the Lodge room.

The DD's job is different from the AVP. The DD is the go-to person when a Lodge has an issue they can't seem to solve. The DD inspects all the District Lodges for compliance with the Statutes, Rules and Regulations of the Order. He, if required, wears a black hat, whereas the AVP wears a white hat. Most importantly, the DD provides support and guidance to the Lodges and their Officer corps. He is available to all during his tenure. There are other positions in the District, State Association and Grand Lodge that will be noted in future articles.

Our Lodge is once again growing. We have about 50 candidates in line to become members. The process takes about two months because we read the application on the Lodge Floor at one meeting, vote during the next meeting, orientate the next month and finally initiate. COVID-19 really slowed the process by closing us down for months at a time. We have been slowly catching up. We are getting more and more new applications since the end of the COVID scare. I expect we will be over 1,400 members once again by the end of the year in spite of lapsations. Lapsations occur for several reasons. First, members lose interest for one reason or another. Second, a member moves away and either drops Elksdom or dimit transfers to another Lodge. Or lastly, a member passes away.

My office is always open to members who may have questions or concerns about most anything in Elksdom. I may not have a solution or an answer to an issue, but I'll certainly listen and work with you to find a solution or answer. Communications is key to understanding and resolving issues. One of my responsibilities and perhaps most important duty is Lodge membership. I account for all aspects of membership including candidates and member fees and dues. Some of you have paid your dues, but are still receiving billing statements. The billing is done through Grand Lodge. Sometimes there is a time lag between when you pay and when it's recorded at Grand Lodge. Please call us if there is any confusion.

*Sincerely, Brad Smith, PDDGER, Lodge Secretary*

## Elk's National Drug Awareness Program

The goal of the Lodge's Drug Awareness Program is to familiarize membership with benefits and resources available both on the local and national levels of the Elks National Drug Awareness Program, the largest volunteer drug awareness program in the United States.

Since 1982 working in partnership with multiple federal agencies including the Drug Enforcement Agency and national organizations such as Pride Youth Programs the Elks provides an effective,

community-based drug prevention program ensuring it addresses the leading drug abuse issues facing communities today.

The program's Drug Awareness Program Resource Center provides parents, teachers and kids access to educational materials including anti-drug literature, videos, coloring books, posters, public service announcements and prevention tools for parents along with information on the annual poster, essay and video contests.

The importance of educating our youth and parents on the impact of drugs and alcohol use is even more important today as it was in 1982.

To assist with this, each month starting in August the Lodge's Drug Awareness Committee will be posting through our online mailing access examples of the resources available. The topic for August is **Talking to Your Kids About Drugs**. For additional Resources assistance contact the Elks National Drug Awareness Program @ [elks.org/dap](https://elks.org/dap) or under Programs on the Elk's Home Page, @ [elks.org](https://elks.org).

The West Coast's premiere Cajun, Zydeco, and New Orleans R&B band, Gator Nation has been headlining dances and festivals on the West Coast for over 20 years. Gator Nation is a hand-clapping, foot-stomping, high energy concert and dance band. They represent the music of South Louisiana in all its forms, Cajun, Zydeco, and New Orleans style. In addition to their headline festival appearances at Redwood Coast Music Festival, Gator Nation has performed free concerts for nearly 20,000 Humboldt County students. We're grateful for their contributions to youth music education in Humboldt County.
