April 2024

Hello & Happy New Elk's Year to My Fellow Elks,

I am quite honored to have been elected as our Exalted Ruler for the next year. It has been quite the challenge to try to get up to speed over these last few months and even with everything I have learned, there is still a lot I need to know about Elkdom and our Lodge. I would like to express my gratitude to Shawn and Marta for their dedication and all their hard work.

April and May will be quite busy for our leadership team who have been practicing hard for the Ritual Competition at the end of the month in Lakeport and the State Convention in mid May.

As Always, we are in need of volunteers , in particular, we still need a Kitchen Manager. The Kitchen Manager is not responsible for cooking meals but helping to oversee the Custodians, the Events Coordinator, help with inventory control and help coordinate outside party events along with the House Committee. If you have a few hours a week and would like to find out more about this position, please talk to me or LaWana Schulz. I am also looking for someone to help with our new Birthday/Sunshine Group. The idea is to call at the end of the month to wish our members a Happy Birthday and invite them to the 1st Wednesday dinner/meeting for a piece of cake, a free drink and a chance to win a free Wednesday Dinner.

I am looking for nominations for Mother Of The Year for our Mother's Day Brunch on May 12th.

As always, please remember that our Lodge is run by volunteers so do your part and let them know that they are appreciated. If you have some time, we would love to have you join us. We would be happy to teach you what we do! "MANY HANDS MAKE LIGHT WORK". You can contact me by calling the Lodge (707) 442-6652 and leave a message.

Hello My Fellow Elks,

My name is Barry Smith, Exalted Ruler Elect for 2024-2025. I've been a member of the Eureka Elk's Lodge for 14 years, a member of Six Rivers Masonic Lodge #106 and the Eureka Moose Lodge #636. I have been the owner of Barry Smith Construction for 30 years, member of the Humboldt Builder's Exchange, Humboldt Bay Kiwanis, Eureka Little League and Eureka Parks & Recreation Commission. I am also a member of the Harley Owners Group (HOG), United Bikers of Northern California (UBNC), Widows Sons Masonic Riders Association and a member of a riding group called MOB. My hobbies are motorcycle riding, camping, traveling & family dinners. Some of my goals as the Exalted Ruler are to work closely with all current and new Lodge Officers, re-roof the Eureka Elks Lodge Building and reorganize our kitchen operations. I look forward to the coming year and always available by calling the Lodge and leave a message (707)442-6652.

Barry Smith, Exalted Ruler

Hello My Elk Family!

My name is Nina Strang and I am your new Leading Knight. I'm a native to Humboldt County. I was born in Fortuna, raised in the Arcata bottoms on a dairy ranch until 3rd grade and have spent the rest of my time living in Eureka. I have 3 wonderful sons, one which is a member of this Lodge. I became an Officer in this Lodge at the request of a friend when she asked me to be her Lecturing Knight. It's hard to believe that was two years ago. Many of you have seen me around the Lodge selling tickets for one fundraiser or another. I will continue to do so this year while raising money for the Purple Pig. I'm looking forward to seeing you all at the Lodge!

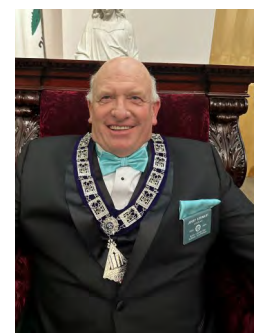

Nina Strang, Leading Knight

Brian Smith has been a member of Eureka Elks Lodge 652 for about 7 years. He is a Public Safety Communications Supervisor for the California Office of Emergency Services, a board member of Redwood Christian School, an active member of Eureka First Church of the Nazarene, and a leader in Eureka Boy Scout Troop 27. He enjoys Friday Cook-Your-Own-Steak night with wife Ellen and son Matthew and can be found in the Elks kitchen whenever Debbie and Jerry Stewart are cooking. He loves teaching archery to youth programs, hiking, and building and programming electronic things.

Brian Smith, Lecturing Knight

Jerry Stewart has been an Elk in good standing for 20 years. He followed in the footsteps of his father, grandfather, and two great uncles. His hobbies include hiking, fishing, camping, and going to Disney with his family and friends. He loves spending time with his 2 children, of whom he is extremely proud. One of his favorite things about the Elks Lodge is being a part of a cooking team where he works with his family and friends making delicious dinners for his fellow Elks.

Jerry Stewart, Chaplain

Hello fellow Elks,

My name is Robert Patrick Gillmore, better known as Pat. I've only been an Elk for about a year but have attended many lodge events over the last 15 years with my partner Janet. I felt it was time to become a member myself and asked PER Alan Bobillot to sponsor me last April. When I am not spending time at the lodge, I enjoy playing pickle ball, riding my bicycle or my motorcycle. I look forward to serving you in the coming year as your Lodge Esquire.

Patrick Gillmore, Lodge Esquire

Hello Fellow Elks!

My name is Dana Harris and I am your new Inner Guard. I'm a native of Humboldt County. I grew up in Arcata. I attended Arcata High School, graduating in 1979. I then attended College of the Redwood' court reporting program which I finished in 1981 and I have been working as a freelance deposition reporter ever since. I became Tiler shortly after becoming an Elk and I am honored to be moving up to the position of Inner Guard. You can often find me greeting at the door (stop by and say hi!), doing check-in for dinner or volunteering in some other capacity. I'm looking forward to getting to know more of you personally. See you all at the Lodge!

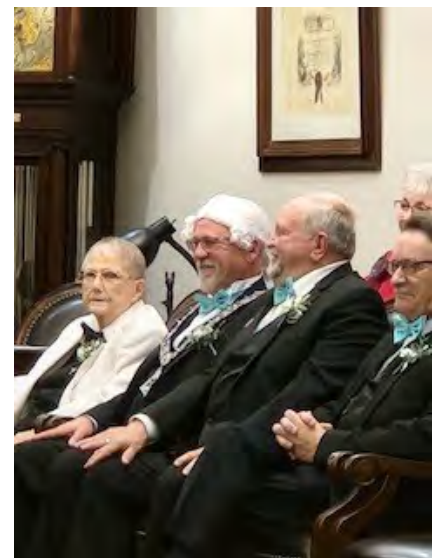

Dana Harris, Inner Guard

Marissa is a massage therapist, yoga instructor and personal trainer at Body Tuners Gym in Eureka. Long time resident, she loves walking in the redwoods and on the beaches. She enjoys volunteering and service work.

CHEMPI

Hello everyone.

I am following Barry Smith as his year of Purple Pig Fundraising ends and mine begins. He did a pretty good job during his 2023-2024 year, and I hope to do even better in my 2024-2025 year of fundraising. Keep your eye on the Herd Talk to see when special events will be taking place around the lodge. We will also be having drawing from time to time. How many members know when the California "Purple Pig" started? Do you know how many paid Therapist and Pre-school vision screeners we have through the program? Come search me out, tell me the year it began and the number of paid therapist/vision screeners there are I will give you a prize. CHEMPI stands for California-Hawaii Elks Major Project, Inc., and it supports Children's Services by being committed to assisting our youngest and most vulnerable citizens, provides services to individuals and families coping with the effects of various disabilities, and provides physical, emotional and other types of therapy services to individuals in our state. We are so lucky to have these Occupational Therapists, Physical Therapists, Preschool Vision Screeners and SpeechLanguage Pathologists available, thanks to the Elks. Please be generous with your donations again this year. I will try to keep my receipt book with me at all times. All donations are Tax deductible.

Nina Strang , your newest Major Project "Purple Pig" Fundraising Chair

ENF Fundraising

I would like to give a huge shout out to everyone that donated to the Elks National Foundation during 2023-2024. I started my year as the ENF Fundraising Chair with a lofty goal. Many of you might have been watching the thermometer by the cloak room as the red line traveled toward the top. There were moments during the year that I was sure I could not attain such a goal. However, with all of you being so generous with your donations. I have hit that goal!

Thank you all very much!

Nina Strang (former) ENF Fundraising Chair

Wilson Leathers ENF Fundraiser Winner

The Winner of the ENF fundraiser was Barry Smith! His name was drawn for the Wilson Leathers Set on February 28. Congratulations Barry!!

Elk's National Foundation Community Investments Program Grants

The Elks National Foundation (ENF) for the 2023-2024 fraternal year appropriated \$16.3 million to invest directly in Lodge communities. Community Investments Grant projects improve the quality of life in places where Elks live and work. Grant funding is distributed by lodges through Community Service, Military Active-Duty Support, Veterans Assistance, and Youth Support projects. Over the past year Eureka Lodge #652 used the following ENF funding to provide community support with the following grants:

Beacon Grant = \$4000 – Food for People Donation (Community Service)

Spotlight Grant = \$2500 – Pine Hill/South Bay Schools Food Gift Cards for Food Bags for Low Income student families during Winter Break (Youth Support)

Gratitude Grant = \$2500 – Nations Finest, Bed Bug Free Mattress and Pillow Cases, Commercial Carpet Cleaner (Veterans Services)

Freedom Grant = \$1000 – North Coast Veterans Stand Down – Evening Meal (Veterans Services)

2023-2024 Grant Distribution = \$9,500. Since 2014 the lodge has distributed \$53,000 into the community through grant funding. ENF Grant funded community support projects is just one of the multiple ways that emphasizes our lodge's commitment to the order's motto "Elks Care, Elks Share"

The Veterans Corner

“So long as there are veterans, the Benevolent and Protective Order of Elks will never forget them”

The Veterans Committee final project for the 2023-2024 fraternal year was a donation of non-perishable food items to the local VA Clinic’s Pantry. The clinic pantry provides food items in the form of snacks and refreshments to clients of the clinic. Many have traveled from out of town, others need to be refurbished following blood draws while clients often endure long wait times to see a provider. In the past the pantry was funded directly by clinic staff. The project split into two separate contributions is funded through \$1000 of Veteran Account funds. Dave Eberhardt is the project chairman.

I want to recognize the Veteran Committee members for work they did with the multiple projects we completed this year: Ann Poole, Angela Stacey, Frank Carpenter, Dan Rickman, Dave Eberhardt, Ernie Nunes, Jerri Long, Joe Massei, John Burke, Joan Collier, Kevin Christie, Larry Vance, Louise Harris, Nancy Henly, Pierre Carbonneau and Sheri Schaal. In addition to their participation, they also pull double duty serving as the lodge’s Grant Approval committee.

The Veterans Committee meets monthly on the 2nd Monday of each month at 6 PM at the Lodge.

Eureka Elks Lodge No. 652 donated \$4,000.00 to " Food for People", the designated Food Bank for Humboldt County. Food for People coordinates distribution of food countywide of over 16,000 meals a month by providing individuals and households with the emergency and supplemental food they need through a variety of hunger relief programs.

Redwood Roamers

Dear Elks,

Spring has arrived finely, and like many of you, Roamer thoughts are of the good weather ahead. We continue our work in finalizing our outings for the coming camping season. We are also volunteering our time within the lodge as well. Many may have noticed the construction we are doing in the near corner of our RV park. This Kiosk will welcome fellow Elk travelers to our park and provide helpful information that they may need to know, and make their stay with us a delightful experience. We've had many large work parties of volunteers to turn this dream into reality. Dave Turner should be applauded for drawing up the plans and building a material list. Howard Ritter and Dave Eberhardt for presenting our proposal to the Trustees and organizing the work parties, Bob Holt for procuring materials and, along with Tim Cruz, directing the construction. Many others have also been volunteering also.

We are awfully proud of having fellow Roamer, Dave Eberhardt, as "Elk of the Year" for 2023, and can you imagine our delight when it was revealed that Howard Ritter, another Roamer, was selected for this same honor for 2024! we also have 2 Elk Trustees as members as well as dozens of other Roamers volunteering their skills in helping make your Lodge what it is today, and what it will be in the future.

It is with a sullen heart that I must inform you of the passing of our long time Elk and fellow Roamer, Lee Enemark. He passed away peacefully leaving his wife, Pat, family members and all those who knew him, mourning this loss. Arrangement for the memorial, service and internment in Ukiah will be forthcoming. Lee and Pat are remembered for the many years of active involvement in our Roamer organization and the Lodge as well. Among other things, Lee was the creator of the Welcome Packet given to folks staying our Elks 652 RV Park. Not only did he write this but was also instrumental in the printing and assembly of the packet. Such a thoughtful and caring man, Elk, and fellow Roamer, he made a big difference and will be missed by many.

Please join us for our next Roamer meeting April 3rd. @ 4:30.

Dan Wilson-Wagon Master

It Takes A Village

Charles “Charlie” Blunk has devoted his life to Elkdome for the past 17 years and has been for eleven years a travelling Redwood Roamer member and club treasurer. He originated from a Navy family and as a young man served in the U.S. Army for over forty years in military watercraft support. In addition, he and his father began the adventure of RVing in their motorhome and together enjoyed many trips into the wild.

His knowledge of camping is unmatched and when he eventually became a “Roamer” he shared his lifelong experience and knowledge with everyone who accompanied him on the many outings throughout the Pacific Northwest and beyond. His passion for camping encompasses all who join him and his ability to fix things on the road is a constant solace to his friends and strangers he meets along the way. Unmistakenly frank and to the point, Charlie is always there to simply help out.

In addition, for the past six years, Charlie has attended House Committee, Trustee and Lodge meetings in between his travelling adventures and has devoted himself to the development and marketing of the Lodge RV park. He is a trusted member of the RV Committee and one can find him in the park on a regular basis working and visiting with our RV guests. Charlie is also a valued member of the kitchen inventory team and a volunteer in dining services.

We are honored to call him friend and Elkdome appreciates his service and patriotism in “enhancing the happiness of its members and cultivating good fellowship.”

News From The Bar

There's a rumor that spring is around the corner and after the lovely weather the past few days, we believe it! Of course, Mother nature isn't quite done with winter...

As we move towards spring, a time of growth and rejuvenation, at the Lodge we are also looking for ways to grow and prosper. As we are all very well aware, the economy following the pandemic has hit hard. The Lodge is no exception. We've been brainstorming ways to improve the Lodge for your enjoyment. Before the pandemic we were a much busier Lodge and want to return to those fun and busy times.

Check the out the calendar! We have Bingo night, card games and other fun activities. Would there be any interest in a pool tournament once a month? Please feel free of offer other ideas and or just give some feedback.

And then there is the reality that we need to improve our revenue. The utility bills to keep the Lodge running has been hit just like everyone else. We have struggled to keep our costs low, but one trip to the grocery store and we all know what that looks like.

Beginning April 1st (No it's not April Fools) we will be implementing the following:

Friday nights (our busiest night of the week) which often sees many large groups and guests, we will increase beverage prices by \$1.00 starting at 6pm,

We do not make this change lightly, but it will hopefully keep us from an across the board increase at the bar. So come enjoy your Lodge on other nights of the week!

See ya at the Bar!!

Bar Manager
