**Hello My Fellow Elks,**

**March is here and that means that spring is right around the corner and you know what else is happening? 2025-2026 Officer Installation which also means that my time as your ER is coming to an end.**

**So much has gone on this year which makes reflecting back seem like so much more than 11 months. A few of the highlights were the Eureka Officer Core taking 1st place in the District and 3rd place in the State Ritual Contest, meeting with other ER's and Officers during the State & National Conventions and our Lodge hosting the President Marty J. Mello, DDGER Patti Powell and our own AVP Alan Bobillot. Other highlights include completing upgrades to the RV Park and a new roof over the kitchen on the Lodge.**

**The Lodge has a lot going on during the month of March. March 2nd is our Annual Volunteer Appreciation & Awards Dinner which is put on by the Lodge Officers. We are doing CYOS, please plan to come out and applaud our many hard working Lodge Volunteers. Our Purple Pig Dinner will be March 9th, which is a fundraiser for disabled children in our District and beyond. March 16th, Kathy Payne and crew will be cooking Corned Beef and Cabbage. Rumer has it we may also have Irish Step Dancers performing. March 23rd we will see the return of Lodge Breakfast with Silvia and crew and on March 29th we will have the Lodge Installation of Officers and Dinner. Please see the calendar and flyers for more information.**

**As always, our Lodge is in need of new volunteers in the kitchen, dining room and maintaining the grounds. "Many Hands Make Light Work".**

**Lastly I would like to thank the many people that helped me this year and made all the hard work worth while and I would like to wish our new Officer Core good luck with the Ritual Competition which we will be hosting in our Lodge the 1st weekend in May.**

**Your Exhausted Ruler,  
Barry Smith**

Hello My Fellow Elks.

Most of you know me or have seen me around the Lodge. For those of you that don't know me, let me introduce myself.

My name is Nina (9-ah) Strang. I'm married to a wonderful man who goes by Joe, and I have 3 sons and 4 grandchildren. My passion has always been linked to community service. I was a Cub Scout Leader for many years and took 13 boys through the Arrow of Light. Then I spent several more years helping out with the Boy Scout Troop. I was born in Fortuna, CA and grew up mostly on the Arcata bottoms on a dairy ranch. We moved to Eureka when I was in the 3<sup>rd</sup> grade and I have stayed close to my roots from then on. I have worked at many jobs in Humboldt County over the years. I was the Clerk in the front Office for the Eureka Elks Lodge #652 for over 8 years.

I am looking forward to being your Exalted Ruler for this coming year. Thank you for believing in me and I am counting on your help to have a successful new year. Please come join us for the Installation of Officers on March 29<sup>th</sup>, at 3pm, at the Lodge, followed by a salmon dinner cooked by Silvia Vader at 5pm. Don't forget to make your reservations before it sells out. This will be a formal affair, so shine those shoes and come have some fun. Together we can do anything!

## **Elks National Foundation Community Investments Program**

The Elks National Foundation (ENF) has invested over \$16 million directly to The Community Investments Program Grants (CIP) in Lodge communities. Community Investments Grant Projects improve the quality of life in places where Elks live and work and grant funding is distributed by Lodges through Community Service. (Military Active-Duty Support, Veterans Assistance and Youth Support projects.) Over the past year Eureka Lodge #652 used the following ENF funding to provide community support with the following grants:

- Beacon Grant = \$4,000-Food for People Donation (Community Service)
- Spotlight Grant = \$2,500-Pine Hill/South Bay Schools Food Gift Cards for food. Bags for Low Income student families during Winter Break (Youth Support)
- Gratitude Grant = \$3,000-Boys and Girls Club of the Redwoods Kid's Clubhouse for new furniture & facility upgrades (Community Service/Youth Support)
- Freedom Grant = \$1,000-North Coast Veterans Stand Down-Evening Meal (Veteran Services)

2024-2025 Grant Distribution = \$10,000. Since 2014 the Lodge has distributed \$63,000 into the community through grant funding. ENF Grant funded community support projects are just one of the multiple ways that emphasizes our Lodge's commitment to the order's motto "Elks Care, Elks Share"

Notice to all members.

The Board of Trustees recently developed a plan to reroof the building over time. This is a preventative maintenance plan. The Trustees put the project out to bid. To reroof the entire building would cost approximately \$270,000. That amount would require financing; therefore, it was decided to reroof in phases. The oldest part of the roof is the area over the kitchen and storage area. It was decided that this area should be the first area of the roof to be reroofed. The cost for this phase was \$78,000. The Trustees had that amount of money available in unrestricted accounts, such as, the building fund and maintenance accounts.

The project was discussed on the Lodge Floor, and eventually voted on. The vote overwhelmingly passed to go ahead with the project. A permit application was requested and received from Grand Lodge in compliance with GL Statute 16.050. The application was completed; however, it for some reason never made it to Grand Lodge. A new permit application was completed and forwarded to Grand Lodge. Unfortunately, the portion of the roof that was scheduled for completion at this time was already finished. Therefore, the application was in hindsight.

Grand Lodge Board of Trustees must approve the Building Application, and ours was rejected for not being in strict compliance with GL Statute 16.050; therefore, we are going to repeat the process for a second time in order to comply. The first paragraph of this notice describes the project in compliance with GLS 16.050 (k) 1. and 2. The amount already spent is a little over \$76,000 which completes the first phase of the total reroof. The first phase was recovering the kitchen and storage areas. The second phase will occur when the money is available, which should be towards the end of this fiscal year. The building fund currently has about \$25,000 and is expecting to increase to about \$40,000 by May of this year.

The Trustees do not intend to mortgage the property or borrow any money for the reroofing project, which complies with GL Statute 16.050 (k) 3. and 4. The individual heading up the project and authorized to act on behalf of the Lodge is Jim Olson, PDDGER, Lodge Trustee, which complies with GL Statute 16.050 (k) 5. This notice to the membership is published in the March bulletin (Herd Talk), which complies with GL Statute 1.115. It will be read on the floor of the Lodge during the meeting of March 5<sup>th</sup>, 2025, which complies with GL Statute 16.050 (l). The vote will be taken during the meeting of March 18<sup>th</sup>, 2025. A 2/3 favorable vote is required to go ahead with the reroofing project, which complies with GL Statute 16.050 (m). which complies with GL Statute 16.050.

This reroofing project will be included in the budget document for fiscal 2025 – 2026 in compliance with GL Statute 12.070, which details the duty and responsibility of the Board of Trustees. Unfortunately, exact dates or descriptions of subsequent phases of the reroof can't be exactly determined considering the next phase will be scheduled when the money becomes available. We have requested a building permit from Grand Lodge to cover the entire reroofing project to save time and effort in completing the process. However, to remain in compliance with the statutes a written notice to the membership, verbal reading on the Lodge floor, and a proper vote will have occurred before the next phase is scheduled.

# Veteran's Corner

**"So long as there are veterans, the Benevolent and Protective Order of Elks will never forget them"**

**Welcome Home Kits**, a program offered through National Elks Veterans Service Commission (ENVSC) are made up of an array of home supplies provided to a **"veteran"** moving into a new home after a period of homelessness, to help them with day-to-day living. The veteran will often be coming directly from a shelter and may have only the clothes on his/her back. A kit must include two items and are individually prepared to meet the veterans needs. The ENVSC reimburses back to the lodge up to \$400 per kit, and up to \$600 for kits that include a bed. Potential candidates for a kit are referred through local veteran services providers such as the Humboldt County Veterans Service Office, Veterans Administration HUD-VASH along with local veteran's transitional facilities or homeless shelters.

In January the Veterans Committee presented our "first" Welcome Home kit to a graduate of the Eureka Nations Finest Transitional Program. The recipient, a Coast Guard veteran, enrolled at College of the Redwoods and moved into the school's dorm. Her kit, tailored to her needs consisted of a mini refrigerator, a compact air fryer, a small blender, food storage containers along with a pillow and a food gift card. The value of her kit was \$366 for which the Lodge has already received reimbursement.

Veterans Committee meetings are held at the Lodge on the 2<sup>nd</sup> Monday of the month, **5: 30 PM. (New Time)**. Our next meeting is March 10, 2025. We encourage you to join us. One does not have to be a veteran to serve on the committee. Please contact Jack Harris at [jacknlou071@gmail.com](mailto:jacknlou071@gmail.com) or 775-722-1778 for more information.

Jack Harris, Veteran's Committee Chair

# Redwood Roamers

Hello Fellow Elks,

We Redwood Roamers are a group of #652 Elks who plan outings, enjoy the outdoors and the company of each other. At last month's meeting we proposed 15 different outings along with a cruise this fall to Hawaii. This March will be our "Go Nowhere Rally" held here at the Lodge RV Park. This outing is being led by Lenny and Linda Perata and lots of fun activities are planned for us to enjoy.

I was honored to speak to the new Elk inductees this month, explaining who we Roamers are, what we do, and why volunteering is so important to the well being of our Lodge. I sincerely hope that these proposed new members understand the concept. The next time you're at the Lodge look around and notice the members always helping. They are the same people. If your contribution to membership is "Cook Your Own Steak" and a couple of cheap drinks whenever you want, don't be too surprised when the Lodge doors are locked and the windows shuttered. That's just one good reason to get involved and actually help.

In the RV Park, we've been busy installing cameras to protect you from recent thefts occurring at the Lodge along with recent yard work in preparation of our recent "Weekend in the Redwoods".

If you enjoy camping and socializing with fellow Elks, I would like to invite you to attend our next monthly Roamer's meeting the first Wednesday of the month, March 5th at 4:30pm.

Volunteer, make a difference and actually do something. Your Lodge needs you!

Dan Wilson, Wagon Master
